簡介

new style **T25**

T原自於thin，輕薄的概念，研發團隊在效率與高機能性的基礎上發展出新一代的2.5cm極簡屏風設計，結合力與美的超高質感，優雅再現。

T25不僅擺脫以往對辦公室的陳設流於制式化，更可依您為思考中心，發想與自由組裝空間規劃，賦予更人性化和現代化的實用價值，讓使用者有別於一般感受，而不再是那一層不變，又悶不透風有壓迫感的屏風。T25的誕生，將會是新世紀的潮流走向，組織自己的風格，結合豐富想像，創造出屬於您的美好空間。

The Letter T in the idea of T25 stands for Thin and Think, a concept which is light and thin. The research and design team with high efficiency based on the functional development of a new generation of 2.5cm minimalist screen design, combining strength and beauty reproducing the high texture, elegant T25.

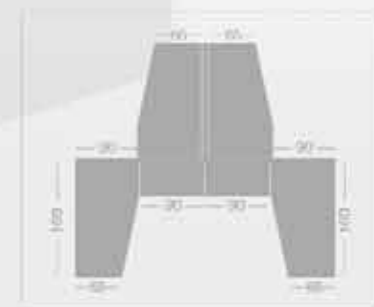

T25 is not only out of the past, the office furnishings tend to be on the regularization and more it make you a thinking center, the free assembly to space planning to give a more humane and modern practical value, so that the user is different from the general feeling. Which my come from the layer of the same old oppressive stuffy unventilated screen in the past. The birth of T25 will be a trend toward the new century, organized their own style, combined with a rich imagination to create a beautiful space with you.
